

## Controlling a dealership's health insurance costs

To be held:  
**Thursday, June 14, 2018**  
9:30 a.m. - 11:00 a.m.  
Program starts promptly at 9:30 a.m.

Location:  
**CATA Headquarters**  
18W200 Butterfield Road  
Oakbrook Terrace, IL 60181

If you offer health insurance to your employees, you run a health care business whether you realize it or not. How you set up and maintain your health care program has a direct impact on your organization, your employees, and your community.

Get an inside look at this presentation at how employers around the country are reducing their health insurance spend by 20 percent to 40 percent while improving the quality of care through practical, proven, nonpartisan solutions.

Representatives from CATA allied member Corkill Insurance will cover real life examples with a blueprint to replicate their successes.

### Learning Objectives:

- Develop a clear understanding of what drives health care & health insurance costs
- Understand how to approach healthcare as a risk mitigation strategy
- Formulate a strategy that best suits your dealership and employees
