

Protecting against a cyber breach

To be held:
 Thursday, March 23, 2017
 9:30 a.m. - 11:00 a.m.
 Program starts promptly at 9:30 a.m.

Location:
 CATA Headquarters
 18W200 Butterfield Road
 Oakbrook Terrace, IL 60181

The threat of a cyber breach on your dealership has never been as pervasive as it is today. Conversely, there has never been more confusion about how to protect your dealership(s) from cyber exposure. CATA member Corkill Insurance Agency has partnered with Amtrust of North America and Equilibrium IT solutions for a free presentation to help association members understand the current cyber threat landscape as well as how to insure your dealership from a potential loss in the event of a breach.

Topics will include:

Navigating Through The Evolving Cyber Liability Insurance Market

This discussion will help participants understand the ever-changing cyber liability insurance market.

- Evolution of the cyber liability insurance market
- Challenges for businesses
- Key coverages in cyber liability policies
- The Cost of a Breach: What cyber liability limits do you need?

The current cyber threat Landscape:

- Evolution of cyber threats and current trends
- Regulatory and compliance environment
- Key principles of keeping your information secure
- Where do you start?
