

INCREASING CASH FLOW WITH ACV

Using our national marketplace with thousands of buyers, ACV allows dealers to quickly and efficiently liquidate inventory, delivering optimal cash flow in any situation.

Using ACV During COVID-19

- Review all used inventory and run non-core inventory on ACV
- ACV can inspect all wholesale at your dealership without interacting with your personnel
- Titles and payments are guaranteed. Pay with ACH making the entire process seamless and easy
- ACV Auctions is still open for business with thousands of buyers nationwide

“ACV Auctions lets us move our inventory at our convenience and brings flexibility to moving our wholesale inventory.”
