

Controlling your dealership's Workers' Comp costs

To be held:
Thursday, May 25, 2017
9:30 a.m. - 11:00 a.m.
Program starts promptly at 9:30 a.m.

Location:
CATA Headquarters
18W200 Butterfield Road
Oakbrook Terrace, IL 60181

Workers' Compensation Costs can be a huge hit to a dealer's bottom line. CATA allied member Corkill Insurance will provide strategies on how to reduce your dealership's exposure to a Workers' Compensation claim and how to control the costs when one occurs.

Corkill will address:

- What drives your Workers' Compensation costs?
- What steps can you take to reduce the likelihood of having a claim?
- What are the tools and methods for controlling a claim once it occurs?
- You've had a claim. What proactive steps can you be taking to reduce the size and cost of the claim to the dealership?
