

Prior Approval Form

The National Automobile Dealers Association Political Action Committee (NADA PAC) supports congressional candidates who understand the interests of NADA members and the auto retail industry.

To comply with federal election law, NADA corporate dealerships must provide NADA PAC with written prior approval before any solicitation may be directed to eligible dealership personnel and families.

Please complete, sign and return this form, which is not a request for funds, to NADA by email at nadapac@nada.org or by fax at 202.627.6750.

I hereby authorize NADA PAC to include the corporate dealership(s) listed below in mailings or communications that may solicit funds from me and other eligible dealership executive and administrative personnel and their families for NADA PAC during the calendar year(s) designated below. In granting this authorization, I understand and affirm that:

- Only the Authorized Representative/Dealer Principal on file with NADA may legally sign this form.
- Only one form is needed per dealership location. The signer may include multiple dealership locations on a single form, if authorized to sign for those dealerships.
- Under federal law, a corporate member of a trade association may not approve a PAC solicitation by more than one trade association for the same calendar year. The dealership(s) listed below has not approved a solicitation by any other trade association’s connected federal PAC (other than NADA PAC) for the same calendar year. (This authorization does not prohibit dealership personnel from receiving solicitations from or contributing to the Automotive Free International Trade PAC (AFIT-PAC), which is not a connected federal PAC.)
- Corporate NADA dealerships may grant NADA PAC prior approval for up to five years by signing next to each year.

Please call NADA PAC at 202.627.6755 or email nadapac@nada.org with any questions.
